INSOMEA
COMPUTER SOLUTIONS

We are Microsoft Gold Partner, 99% of our business is around cloud technology and Microsoft specifically.

We have all gold certification for modern workplace, infrastructure and security.

Our primary objective is to provide clients with information that optimally serves their needs, ensuring understanding and effective deployment using best practices. This approach enables us to gather precise feedback from clients, aiding in the continuous improvement and enhancement of our service quality.

OUR TRAINING ACTIVITIES?

MICROSFT TRAINING

- We deliver Microsoft official certification trainings; designed to validate and enhance technical skills across various Microsoft products and services. These certifications are highly regarded in the IT industry and can help professionals advance their careers.

WORKSHOPS

- The workshops with the bootcamps serve to introduce individuals as well as clients to the latest professional growth and technological advancement in the ever-evolving landscape of information technology

ADOPTION

- The Adoption Program facilitates our clients in becoming acquainted with various Microsoft products, enabling them to explore diverse features. This exploration ensures a seamless workflow and guarantees the best user experience.

MICROSOFT TRAINING AND CERTIFICATION
